

The French development agency is pleased to invite you to its
12th International Conference on Development:

« Commons and Development:
benefits and limits of commons
for public aid »

December 1 – 2, 2016 at La Chesnaie du Roy in Vincennes

Registration will open soon online at:

<http://communsetdeveloppement-afd2016.com>

More information will be posted in September on this website.

The conference will be opened by **Gaël Giraud**, chief economist at AFD. The confirmed keynote speakers are **Jean-Michel Severino** (Investisseurs et Partenaires), **Ravi Kanbur** (Cornell University), **Amy Dahan** (CNRS-EHESS), **Eduardo S. Brondizio** (Indiana University), **Chimère Diaw** (African Model Forest Network) and **Christophe Sand** (New Caledonia and Pacific Institute for Archeology).

The aim of this conference is to bring together practitioners and researchers and their work and to stimulate dialogue at the intersection between commons and development dynamics through recourse to a variety of analytical frameworks and disciplines.
