

JOB OFFER _ Water & Sanitation Project Officer

The French Agency for Development (AFD) Phnom Penh local office is seeking a project officer to supervise its projects portfolio in the water and sanitation, urban development and cultural heritage rehabilitation sectors.

Main activities (not exhaustive):

- To conduct and follow up the operational activities:
 - o Identify new projects in the water and sanitation, urban development and cultural heritage rehabilitation sectors.
 - o Participate to the assessment and contracting of the new projects.
 - o Follow up the implementation of projects in all its aspects (i.e. risk and compliance).
 - o Organize and accompany the field missions of the local agency or headquarters.
- To contribute to intellectual property productions:
 - o Launch initiative for intellectual property productions.
 - o Ensure sector monitoring and produce briefing notes.
 - o Contribute to the definition of AFD strategy for the country.
 - o Be the representative of AFD for all partners and beneficiaries (local authorities, French Embassy, Development Partners, NGOs, companies, etc.).
- Participate to the sector dialogue and represent AFD in all technical meetings.

Profile

- ☞ The applicant should be a water and sanitation engineer as the job requires high level skills in this sector.
- ☞ 5-10 years of water and sanitation experience will be appreciated.
- ☞ Experience with international organizations and development institutions in particular will be considered as a plus.
- ☞ Written and oral English, French and Khmer communication skills are required.
- ☞ Individual should display a positive, team-oriented attitude to match our friendly work environment with colleagues and partners.

The position is based in Phnom Penh, even though the job may require some business trips inside the country.

If you are interested, please submit a cover letter with your resume that details your specific knowledge in water and sanitation as well as your strengths relative to the other requirements, indicating as subject matter "Job offer _ Water & Sanitation Project Officer" at the following email address: AFDPHNOMPENH@afd.fr
